Which Violated the Puget Sound

Which Violated the Puget Sound
Agreement.

Chicago, May 13—It came to light today that the Northern Pacific company has
given notice of its intention to withdraw
from the Transcontinental association.
The cause of this action is the trouble that
recently broke out between that road and
the Union Pacific on account of the latter's
determination to do business in Puget
Sound territory in violation of its Sound territory in violation of its agreements. The Union Pacific's action was contrary to the rules of the association, and Chairman Leeds so decided, but that company insisted on its course and now the Northern Pacific proposes to cut loose from the organization and get rid of all restraints in order to make war on its rival.
